I NO. MC-18_00049-PHX-DLR

Petitioner,

I MOTION TO STRIKE ORDER OR CONTINUE

v.

I

Van Loo Associates LLC

Respondent

i

Respondent request Order to show cause to be voided struck and set aside as it was not served expeditiously on or before the September 26, 2018 requirement. It was in fact dropped on the floor at 10616 N. 10th Drive on October 9, 2018. This "service" was performed by a person who entered the home and failed to identify himself. Furthermore did not identify himself when asked to leave, simply dropping it on the floor. We of course realized after we read the papers that he was.

It is further asked of the court if the motion is not struck down that the court continues the case for forty-five days, but not less than twenty-five days to give the respondent time to prepare an answer. Michael Van Loo has a conflicting at the day and time of the appearance and has attached a copy.

Respondent would also like the court to accept our apology for not filing an answer on October 9, 2018 as we were not served till that day.
